DESCRIPTION

The heart of the home is the welcoming open-plan kitchen and living room, offering a warm and sociable atmosphere. The kitchen area measures approximately 12.6m² and opens into a cosy 23.8m² living room complete with wood burner, exposed beams and tiled flooring. To the side, a separate 14.5m² dining area benefits from patio doors leading directly onto the rear terrace — perfect for outdoor dining while enjoying the countryside views.

To the rear of the kitchen is a practical 9m² utility room. A hallway leads to a generous 12m² bathroom fitted with a corner bath, walk-in shower and double sink unit, along with a separate WC on the ground floor.

Upstairs, the property offers three bedrooms:

Bedroom one: 9.38m²

Bedroom two: 20m²

Main bedroom: 22.5m² with direct access to a beautiful private balcony terrace of approximately 10m² overlooking the surrounding countryside.

A second WC is also located on the first floor.

Outside, the property continues to impress with a substantial barn of approximately 80m², ideal for storage, workshops or future projects. The roof benefits from around 40m² of solar panels which generate income by selling electricity back to the grid. There is also a well within the garden and a useful carport located to the rear of the barn.

This is a wonderful opportunity for anyone seeking an authentic countryside home with privacy, character and potential in the heart of rural France.
