DESCRIPTION

What makes this chalet and residence particularly appealing is its position: just 500 metres from the Lac Bleu leisure area, around 1 km from the Grand Massif ski lifts, and only a 4 km from Samoëns. Restaurants, a bakery, ski hire, walking trails and year-round outdoor activities are all close by, while the atmosphere within the park remains quiet and residential.

Most of the chalets are privately owned and used as second homes, which gives Les Hameaux du Giffre a more authentic feel than a traditional holiday complex. Owners benefit from shared facilities including a games room, children's play areas and on-site amenities, while retaining the independence of a standalone chalet with its own outdoor space.
