DESCRIPTION

Situated just 20 minutes from the world-famous Mont-Saint-Michel and only 6 minutes from the village of Sacey, this property comprises two separate houses set within approximately 2,000m² of land, offering an excellent opportunity for family living, renovation or future rental income in the heart of the Normandy countryside.

The main house is a traditional three-bedroom property requiring renovation, providing buyers with the opportunity to restore and personalise the accommodation to suit their own requirements. The current layout offers excellent scope for reconfiguration, with the potential to create a spacious lounge, a generous family kitchen and a ground-floor bathroom. Upstairs, there is ample space for three well-proportioned bedrooms and a family bathroom, while the loft offers further potential for conversion into additional living accommodation or a fourth bedroom (subject to the necessary permissions).

Alongside it is a recently refurbished two-bedroom house, which is close to completion and requires only a few finishing touches. Bright, modern and well laid out, it provides comfortable accommodation while work is carried out on the main house, removing the need to live on a building site or arrange alternative accommodation. Once the renovation is complete, it could provide an excellent long-term rental, holiday cottage (gîte), guest accommodation or multi-generational living, subject to any permissions required.

Ideally positioned close to the Normandy–Brittany border, the property enjoys easy access to both regions. The bustling market town of Saint-James is just 15 minutes away, offering supermarkets, cafés, restaurants, schools, healthcare facilities, sports amenities and a popular...
