DESCRIPTION

From the moment you step inside, this elegant character home impresses with its spacious entrance hall featuring original period floor tiles and a beautiful wooden staircase. The hall leads to generous reception rooms, with a welcoming sitting room on one side and a bright, spacious living room on the other, creating ideal spaces for entertaining family and friends.

The open-plan dining room and kitchen form the heart of the home, offering a warm and sociable space for everyday living. A utility room, guest WC, second entrance with its own staircase and an additional ground-floor bedroom provide excellent flexibility for family life or visiting guests.

Upstairs, the landings lead to five comfortable bedrooms, including an attractive master suite with dressing room and en-suite shower room. Two additional shower rooms and a family bathroom complete the accommodation.

The second floor offers a further bedroom together with extensive attic space.

Attached to the main house, yet completely independent, is a charming one-bedroom guest accommodation with a living room and kitchen on the ground floor and a bedroom with shower room upstairs. Adjacent to this is a second building of similar layout, offering exciting potential to create an additional holiday cottage (subject to any necessary permissions).

The extensive outbuildings provide exceptional versatility, whether you require workshops, storage, garages or wish to develop further guest accommodation.

Outside, the heated swimming pool and its large pergola create the perfect setting for relaxing and entertaining throughout the summer months.
