DESCRIPTION

The property is entered via a spacious veranda, providing the perfect space for entertaining or simply relaxing while enjoying the garden views. This leads into the fully fitted kitchen (27.2m²), with all appliances included in the sale. Featuring a central island and dining area, it is both practical and welcoming. While the property benefits from oil-fired central heating, the kitchen also features a pellet burner, creating a warm and inviting focal point.

A small hallway leads through to the generously proportioned living room (32.5m²). Dual-aspect windows flood the space with natural light, while direct access to the garden makes it ideal for indoor-outdoor living. Solid wood flooring, an original granite fireplace and exposed oak beam add warmth and character, with a wood-burning stove creating a cosy atmosphere during the winter months.

The ground floor also offers a spacious bedroom (15.7m²), converted from the property's original bread oven, retaining exposed oak beams and plenty of room for bedroom furniture. A wet room with WC is conveniently located nearby, together with a large utility room (17.3m²) that could equally serve as a gym, hobby room or home office. With its own independent entrance, this part of the house also offers excellent potential for a chambre d'hôtes, work space or self-contained guest accommodation.

Upstairs, the landing features a large freestanding storage cupboard, which is included in the sale. There are two spacious double bedrooms, (18.04m², 17.07m²) each. One has an en suite shower room (3.7m²) and the other an ensuite bathroom....
