DESCRIPTION

Other advantages of this rapidly developing neighbourhood, which benefits from a lively and convenient environment, include good transport links and access to various green spaces such as the Square Maurice Kriegel-Valrimont. This area offers attractive potential for capital appreciation thanks to urban regeneration projects and the ongoing redevelopment of northern Paris. It attracts first-time buyers and an increasing number of investors thanks to a return on investment that exceeds the Parisian average, due to prices that are still lower than those in many other Parisian neighbourhoods.
