DESCRIPTION

Upon entering the apartment, you are welcomed by a bright entrance hallway with a large storage cupboard, ideal for coats, boots and bags. The property also benefits from a private ski locker and a basement garage parking space, providing secure and convenient storage for skis and a vehicle throughout the year. Laminate wood flooring and electric radiators throughout the apartment provide a practical and comfortable base for enjoying the mountains in every season.

The first bedroom (2.9m x 2.8m) offers flexible sleeping arrangements, with space for either two single beds or a double bed. A large double wardrobe provides plenty of storage, while the north-facing balcony offers a private outdoor space — perfect for stepping outside for some fresh mountain air.

Continuing along the hallway, the bathroom (2m x 1.5m) has a bath with overhead shower and a useful rail for drying damp ski clothing after a day on the slopes. The WC is separate.

At the heart of the apartment is the generous kitchen/living/dining room (5.5m x 4.7m), providing plenty of space for relaxing and dining with family and friends. The six-person dining table is ideal for meals together after a day in the mountains, while there is ample room for a large double sofa bed and additional storage.

The real highlight of this room is the fantastic southerly mountain outlook. The balcony provides the perfect spot for a morning coffee while taking in the views and checking the day's weather and snow conditions before heading out...
