NOTES

DESCRIPTION

Peisey Nancroix has the best of both worlds; small village supermarket, a butcher, a boulangerie, a bar and a restaurant, post office and library BUT it is also connected to the resort of Les Arcs via the new (winter 2027) high-speed cable car.

The house is perfect for someone wanting the proximity to the ski resort but with year-round living even in the quiet inter season periods. Incredibly handy for people working or holidaying in Les Arcs, this property could generate rental income by using one of the two apartments as a home base and letting out the other.
