DESCRIPTION

Situated in a convenient location within walking distance of the centre of Magnac-Laval, this spacious and comfortable four-bedroom home offers generous accommodation, excellent outdoor space and a number of important modern improvements, including double glazing throughout and heating provided by an efficient heat pump.

The main living accommodation is arranged on the raised ground floor. A recently renovated conservatory provides a lovely light-filled space overlooking the garden and makes an ideal additional sitting or dining area. From here, the accommodation continues into the entrance hall, fitted kitchen and comfortable living room.

Also on this level are two bedrooms, a shower room and WC, making the layout particularly practical for family living or for accommodating visiting friends and relatives.

NOTES

The first floor opens onto a landing leading to two further good-sized double bedrooms and a second shower room with WC. With four bedrooms and two shower rooms in total, the property offers plenty of flexibility for a family, home office or guest accommodation.

The basement is another real advantage of the property, providing an integral garage as well as a workshop and cellar, offering excellent space for storage, hobbies or DIY projects.

Outside, the house sits within an established garden with a private driveway providing off-road parking. The outdoor space has been designed to be both enjoyable and practical, with a patio area perfect for summer dining, an above-ground swimming pool, a productive vegetable garden, garden shed and separate potting shed.

One of the property's strongest features is its location. Magnac-Laval...
