NOTES

DESCRIPTION

A beautifully maintained contemporary home combining comfort, tranquillity and countryside living

Just 15 minutes from the spa town of Jonzac and 7 minutes from Baignes-Sainte-Radegonde, this attractive single-storey contemporary home enjoys a peaceful setting with lovely views over the surrounding countryside, while remaining within easy reach of local amenities.

Built in 2007, the property has been exceptionally well maintained and offers good-quality features throughout. It is a home where you can move straight in, unpack and start enjoying the lifestyle it offers.

The property is accessed through electric gates with video entry, allowing you to see visitors directly from inside the house. A smart, fully tarmac driveway, beautifully bordered by flower beds, leads to the house and provides ample parking as well as access to the garage with an electric door.

A large covered area alongside the garage provides useful additional storage for logs, a trailer, garden equipment and other items.

From the entrance hall, the house is naturally divided between the living areas and the bedroom accommodation. To the right is a large and particularly light-filled living space, combining an open-plan kitchen, dining area and sitting room. Four large glazed doors flood the room with natural light and create a wonderful connection with the outdoors. They open onto a spacious veranda, which provides an additional living area and leads directly to the garden, terrace and swimming pool.

A fireplace flue is already in place in the sitting room, offering the possibility of installing a wood-burning or pellet stove if desired.
