## DESCRIPTION

### DETAILED DESCRIPTION

Set in a quiet residential part of the lively Minervois village of Ouveillan, this spacious detached home combines generous indoor accommodation with a large garden, a 10 x 5 m swimming pool and far-reaching views across the surrounding countryside.

Offering approximately 175 m<sup>2</sup> of living space over two levels and set on 1,078 m<sup>2</sup> of land, the property is particularly interesting for buyers looking for flexibility: comfortable day-to-day living is arranged on the main level, while the garden level provides additional bedroom accommodation, practical spaces and a large multipurpose room that could evolve with the needs of its future owners.

### MAIN LIVING LEVEL

The house is approached via a covered entrance porch before opening into an impressive open-plan living space of approximately 55 m<sup>2</sup>.

This welcoming room combines the sitting area, dining area and open kitchen. A cast-iron wood-burning stove adds warmth and character, while reversible air conditioning provides efficient year-round comfort.

Natural light enters from several sides. From the kitchen, glazed doors open directly onto a north-west facing terrace of approximately 19 m<sup>2</sup>. Pleasantly shaded by the mature trees, it provides an ideal spot for outdoor dining and relaxing during the warmer months.

On the opposite side of the living space, large glazed doors lead onto a balcony of approximately 8 m<sup>2</sup>. From here, the outlook opens across the garden and surrounding landscape, creating one of the property's most attractive viewpoints. An exterior staircase connects the balcony directly to the garden.
