NOTES

DESCRIPTION

Attention heritage lovers and ambitious project seekers: prepare to be enchanted by this extraordinary property, a former medieval dwelling with a rich history dating back to the end of the 13th century. It originated as a noble country residence for a family of knights from Châlus, with the oldest archival records dating back to 1297.

Beautifully situated in a protected natural setting in the heart of the Périgord-Limousin Regional Natural Park, this unique historic estate offers endless possibilities for a large-scale redevelopment project, whether as an exclusive family home, tourist accommodation with gîtes, or an event venue.

The property features grand historic reception rooms filled with authentic details and impressive fireplaces. In addition, there is a large outbuilding of over 300 m² spread across two floors, ideal for creating gîtes, guest quarters, workshops, or a function hall.

The entire complex requires comprehensive renovation, offering a true blank canvas to bring this remarkable piece of historic heritage back to life.
