IN BRIEF

Set in a small rural hamlet, just a few kilometres from Saint-Séverin and all local amenities, come and discover this charming property, full of character and original features, offering a range of possibilities to suit different projects.

The main house, with 264 m² of living space, is a beautiful and spacious family home but with two separate entrances, it could be divided to create a 5-bedroom family home alongside a loft-style apartment of 98 m².

The second house, adjoining the main property, also has plenty of charm and history, with its thick stone walls, traditional doors, pretty kitchen, three bedrooms and a small garden. It would make a great holiday cottage 87 m², offering the opportunity to generate additional rental income.

Opposite the houses, there is private parking and a staircase leading down to a lovely outdoor area designed for relaxation, with a large swimming pool and terraces surrounded by stone walls that keep the warmth of the sun until the end of the day.
